

Re: Docket# 98N-1038, "Irradiation in the Production, Processing, and Handling of Food."

I want the FDA to continue prominent labeling of food that has been treated with irradiation. The label should be conspicuous and include the logo for irradiation.

Your Signature: David Franklin

Additional comments:

The FDA's role is to safeguard food grown in US or entering from outside How dare you allow the American people to be experimental subjects of this enormous irradiation project shame!!
